

November 2007

Prayer Update

Give praise for

- Contact with Mental Health Trust via Roger Newman for acquiring part of the Old Vicarage grounds
- Admin support for communications
- Continued enthusiasm and ideas for the project

Pray for

- The Local Authority Planning Department as they receive our plans
- Monday 12th November and a Hall Users meeting updating them on the project, particularly about a community day planned next year
- For planned activities (Quiz Night and Coffee Morning). For people to take responsibility for tasks and to share the load of organizing! For good attendance, for a fun time and for the profile of the project to be raised
- Gift Day 25th November: for publicity and testimony being shared throughout the month to inform and challenge people to respond appropriately; for enough capital to be raised for the next part of the project, £50,000
