Prayer Update

Praise for

- Good response to Build the Future presentation
- People volunteering for roles, especially project accountant and Web page support
- Ideas and suggestion re activities and events so far received

Pray for

- Continued response for admin support for Grant/Trust applications and support for user groups
- A personal contact of church member is seeking to make a charitable donation and is considering our project; pray for a favourable decision
- For the activities and events ideas suggested to be taken up and organised
- For design team meeting to finalise Planning Permission submission
- For choosing a good name for hall ; more suggestions still needed
- For increased prayer profile in life of the church
